To Whom It May Concern,

RE: Support Letter for Wildlife Foxton Trust

This is to confirm that we support Wildlife Foxton Trust concept: a centre to highlight the wildlife of New Zealand for the education and entertainment benefit of all New Zealanders and our visitors from overseas.

We see this as a great benefit to our mokopuna, tamariki of Foxton and the surrounding areas. The huge value that our students will receive by being able to walk down to the centre and being able to interact with all species of lizards, birds, fish, flora and fauna will impact their learning hugely and we absolutely support this and look forward to the opening.

We will you all the best in your endeavours.

Yours sincerely,

Ani Skipper

(Principal – Foxton Primary)
