To Whom It May Concern

SUPPORT FOR WILDLIFE FOXTON

Horizons Regional Council supports the setting up of a wildlife centre in Foxton where visitors can see a wide range of birds, fish and lizards. We see it as a valuable addition and drawcard for the area, which already boasts the Manawatu Estuary - a wetland of international significance and a site that we currently undertake predator control in.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'A. Madden', is written over a faint, larger version of the same signature.
